WARNING:

Patent applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identify them. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a patent or an application. If this type of personal information is included in documents submitted to the USPTO, patent applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Patent applicants are advised that the report of a patent application or material in the public file publication of the application (unless a non-publication request in compliance with 37 CFR 1.219(a) is made in the application or issuance of a patent). Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true and further that these statements were made with the knowledge that false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001 and that each of these statements may jeopardize the validity of the application, any patent issuing thereon, or any matter to which this declaration is directed.
